

CASE STUDY

Large Format Printing and Onsite Installation

Dairy Farmers of America 2009 Annual Conference:  
Kansas City, Missouri

The Dairy Farmers of America recently held their Annual Conference in Kansas City, MO and Craftsmen printed and installed many large format printing elements.

Craftsmen had an installer onsite at the venue to install and secure every element in place.

- Curved Radius Graphics Banner
- Custom Installation around plasma TV and Doorways on Radius Banner
- 3-Dimensional Cutouts, 8-foot x 7-foot
- 50-foot long x 3-foot tall Valence Banner
